---

### 7. HANDLING AND STORAGE

<p>Read the label before use / Keep out of reach of children / Avoid contact with eyes. Store at ambient temperatures and under dry conditions.</p>
---

## 8. EXPOSURE CONTROLS / PERSONAL PROTECTION

Protective clothing is not required.  
No chemical protective gloves are required.

## 9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance: Viscous Liquid	Colour: White
Odour: Characteristic	Solubility: slightly soluble

## 10. STABILITY AND REACTIVITY

The product is stable under normal conditions.

## 11. TOXICOLOGICAL INFORMATION

**On contact with eyes:** May cause temporary discomfort.

**On skin contact:** No specific health warnings noted. Contact with the skin during product use is not expected to result in significant irritation. Allergic Skin Reaction (non-photo induced): Signs/symptoms may include redness, swelling, blistering, and itching.

**On ingestion:** Gastrointestinal Irritation: Signs/symptoms may include abdominal pain, stomach upset, nausea, vomiting and diarrhoea.

## 12. ECOLOGICAL INFORMATION

### Environmental fate and distribution

Biodegradability: not available / Ecotoxicity Effects: not available

Other adverse effects: No known significant effects or critical hazards

## 13. DISPOSAL CONSIDERATIONS

**Product disposal:** Dispose of contents/ container in accordance with the local/regional/national/international regulations.

**Packaging disposal:** Dispose of in accordance with local regulations. Waste codes should be assigned by the user, preferably in discussion with the waste disposal authorities.

## 14. TRANSPORT INFORMATION

No dangerous good

## 15. REGULATORY INFORMATION

### Labelling

This product is labelled in accordance with EC directives

## 16. OTHER INFORMATION

The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guidance for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text. This safety datasheet only contains information relating to safety and does not replace any product information or product specification.
